CLASS POEM

Connie is the first we see,
A nurse is what she wants to be.
She's also known as a likeable kid,
Starring in band is another thing she did.

What's the future hold for Ray?
He may be a farmer some fine day.
A bright blue scooter's his claim to fame,
And if he sells it, it'll be a shame.

When George is a coach he'll work with boys
And he'll be subject to their tears and joys.
He's not very tall, with that you'll agree,
But that left-handed jump shot's a sight to see.

Now there's Diane, who's good in school,
She studies hard, as a rule.
A teacher is what she wants to be,
She'll succeed, as we soon shall see.

Stuart Daehling, the joker of the class,
Through smiles and laughter he will pass.
He's not a favorite teacher's pet,
But he keeps things interesting you bet.

Gary Ehlers, tall and slim,
Always meets you with a grin.
With cars and Linda on his mind,
Lessons sometimes get behind.

Joyce is the next one on the list,
Who'll be a success, we all insist.
The pep club is the group she leads,
And when she trys she usually succeeds.

David was on the basketball team,
Through the years he was on the beam.
In school he's an ambitious guy,
And for a career he would like to fly.

Sue Imig's the queen of the class,
It happened cause she's a likeable lass.
As editor of the annual she gained much fame,
So if it turns out bad she's the one to blame.

There are seventeen of us Seniors for '61
It's been lots of work, but it's also been fun.
We've been here four years, just to succeed,
And now a diploma is what we all need.

Judy's not bashful that we know
Around the halls she's go, go, go.
She's the steady type more ways than one.
But you can't deny she's a lot of fun.

Bill's a character, that's for certain,
When he takes off for town that VW's hurtin.
He has acting ability that's well renown,
And he seldom lets his teachers down.

The money was handled by Linda with skill,
And she kept her fingers out of the till.
She's pretty quiet and kinda tall,
But after play practice, she's really a ball.

Bill Ritchie wants to be a college grad,
We hope he makes it and we'll all be glad.
He works pretty hard in each of his classes
But he's also famous for teasing the lasses.

Robert talks, but not very much
On the football team he came through in the clutch.
He came to us in the junior year,
And he's a well liked guy - that's very clear.

Ronnie is a mischievous guy
He really makes those study halls fly.
He's got a Ford that's the color red,
If he doesn't slow down he'll soon be dead.

Velma captained the volleyball team,
She's usually quiet, but sometimes a scream.
She handled the art of the annual staff,
And she was good at making the seniors laugh.

Last but not least, it's Vernon's turn
His most famous line: "Got change for a hern?"
He was named a king at the homecoming game
He can't be a queen, "Ain't that a shame."

So here we all stand, the best and the worse,
We're proud of ourselves, but not of this verse,
At graduation we stood proud and tall
But we kinda wish we could return next fall.

CLASS PROPHECY

It is 1971, and the Alumni Banquet of the Seniors of 1961 is going on. They are celebrating their tenth anniversary. Let's take a look at the head table and see who we find there.

The first person we see is Connie Bjerrum who is now head nurse at Rochester.

Ray Buller now owns the Cushman Motor Scooter Factory, and drives a 1971 blue Cushman Scooter.

George Coon is coaching at Nebraska University in Lincoln.

Diane is busy housekeeping. She got married a few years after graduation to a great baseball player and is now working on her own team.

Stuart is now running his own ranch for a hobby and is designing swimming suits as a profession.

Gary Ehlers is now selling 1971 Fords and has just developed a new model which can be driven on the moon.

Because of her excellent shorthand ability, Joyce is now Secretary General of the United Nations.

Sue Imig is an interior decorator and has just redecorated the White House.

Besides selling cowboy boots as a hobby, Dave has made boxing his profession since the senior play.

Judy Lehr is kept busy with her three children besides the daily chores, as she is a farmer's wife.

Linda has really done well - living in New York with her husband. He's a lawyer - just couldn't get along without her help.

There's a bright spark of a new comedian in the spotlights. Who is it? Well, it is none other than Bill Luebbe.

Bill Ritchie is now teaching a driver's training class and as a hobby he has collected one of the largest coin collections in the world.

Robert Rolenc is the owner of a nice farm north of Utica. Golfing is his hobby, and we understand he has just won a championship.

Another graduate of Utica High School in the automobile industry, is Ronnie Watson. He is busy painting cars, especially red and white ones.

Velma Wiemer has worked up to a private secretary with the General Electric Co. She is planning to get married soon.

Well, last, but definitely not least, is the President of the First Continental Bank, Vernon Wiemer.

ATHLETICS

Utica Beat McCool Junction

George Coon, Vernon Wiemar, and Terry Lewis added their five touchdowns together last Friday night and came up with a winning score of 32 over McCool Junction's 13.

The Utica team played very well Friday, and was greatly improved over the previous week's losing game with Gresham. Coach Darryl Irish said the blocking in the line was especially good.

The Utica Tigers scored their first TD in the first quarter with a short run by George Coon. Also in the first quarter, Coon intercepted a McCool Junction pass and dashed 25 yards to the goal line.

In the second quarter, Vernon Wiemar plunged through the line for the third touchdown and Coon kicked for the extra point.

Two Utica touchdowns came in the third quarter. The first score was made by Coon on a short run. He also made a good kick for the extra point. Terry Lewis scored the final TD on a short run.

The Utica second team played about the last five minutes of the second half and all of the fourth quarter. McCool Junction's two touchdowns were both made against the second team.

Utica Victors Over Bradshaw

George Coon, Utica's star quarterback, had a part in all the six touchdowns that gave the Tigers a victory over Bradshaw last Wednesday evening. The final score in the game was 39-27.

The second team played for about the first five minutes of the game, but did not score. Coon made his first TD in the first period on a 20-yard end sweep.

In the second quarter, a 35-yard Coon to Gary Ehlers pass was good for six points. The third quarter began with a kickoff return by Bradshaw that was good for a touchdown. Utica scored three times in the third period.

Coon intercepted a pass for the first tally in the period, and ran about 40 yards. After a 35-yard Coon to Verne Wiemar pass, Coon ran a arter-back sneak for The final score in th ame when Coon exe ingle ving play od for about 20
